Ground & Glow Skin Ritual Set

Product description

This skincare set contains our award-winning Superfood Cleansing Balm to deeply cleanse and nourish the skin removing even tough eye makeup, 100% naturally and our Nourishing Radiance Serum, clinically proven to restore hydration, enhance tone and texture and help reduce redness and inflammation. Containing our signature upcycled actives of sacha inchi, maracuja and avocado sourced directly from our growers, this set combines the ancestral healing wisdom of plants used for thousands of years in the Amazon Rainforest with the latest green beauty technology to nourish skin and soul. Includes the signature

Nunaia Ritual® Guide for greater calm and balance.

Claims & Benefits

A carbon negative, sustainable skincare ritual set to deeply nourish skin and soul. Clinically proven results to boost hydration and enhance tone and texture. The soothing floral scent creates a relaxing aroma therapeutic effect to calm, de-stress and help prepare for restful sleep. Ecocert COSMOS Certified Organic FROM SOIL TO SKIN. Ingredients sustainably and ethically sourced directly from our community of growers in Peru as part of our regenerative business model. Unique packaging is grown from mycelium technology, holds a Cradle to Cradle Gold Certification and is 100% compostable and biodegradable at home in 45 days.

Banana Lip Balm

Product description

100% natural, this Nourishing balm hydrates dry chapped lips. Enriched with our patented Yellow Banana Bio-Active and formulated with Mimosa and Jojoba wax and Castor Oil, this Banana lip balm is a true concentrate of plant oils and waxes. It provides nutrition and immediate comfort and intensely nourishes and strengthens the lips and their contours. Its irresistible natural banana flavor enriched with Stevia extracts is terribly greedy and regressive. The sweet banana scent lip balm is made with a gourmet aroma of bananas to awaken and exalt the senses.

The ingredients in this organic fragrance are 100% natural, vegan and cruelty free. Dermatologically tested. - 100% naturally derived.

Claims & Benefits

After using this natural lip balm, you will see - Immediate results: Softens and nourishes lips and dry skin areas. Smooths lips with a "glossy" effect. Long-term results: Rich in Phytosterols, this natural lip balm nourishes and helps repair lips and dry skin areas. Rich in Antioxidants and Banana fruit extract, it helps protect lips and dry skin, particularly mature skin. To be used all day long, on lips, cuticles, and dry areas of the skin.

Collagen Complex Hair Thickening
Shampoo & Conditioner

Product description

Absolute Collagen thickening shampoo uses groundbreaking collagen technology to tackle thin, flat hair and fight signs of hair ageing using a unique collagen complex formula. It contains soluble collagen which wraps the hair cuticle in a protective layer to deeply nourish it, providing shine and gloss, while collagen amino acids penetrate the cortex of the hair to add volume and thickness. We've also included wheat protein, which boosts body and volume, and plant protein, which strengthens the hair. Clinical trials showed up to 20% increase in hair thickness in just 8 weeks.

Claims & Benefits

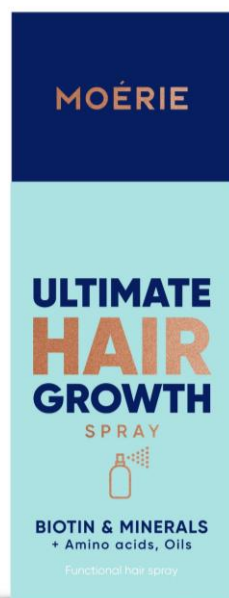

Cruelty Free At least 96% natural
Paraben Free Less shedding. Less
breakage. Increase in the number of
follicular units. We created our
shampoo and conditioner with
leading UK hair experts and
scientists, including Eva Proudman
MIT IAT, the Chairman of the
Institute of Trichologists, who also
led the clinical trials that prove this
powerhouse duo boost hair
thickness by up to 20% in just 8
weeks with everyday use.

Revive Express Beauty Limited Seoulista Cryo Cool® Skin Tool

Product description

Created by dermatologists, Seoulista Cryo Cool® is an innovative device that cools the skin to help soothe irritation, lift and firm the complexion, reduce the appearance of pores, and encourage lymphatic drainage to help reduce puffiness. The thick, aluminium cooling plates remain icy cool, even if stored at room temperature. When placed on the skin, the cold constricts the blood vessels, causing blood to rush away from the surface. Improving circulation, new blood returns renewed with fresh nutrients to help brighten and firm the complexion for a healthy glow.

Claims & Benefits

Seoulista Cryo Cool® instantly awakens the skin for a fresh, revived complexion. Designed to be used with the Seoulista Super Serums®, the dispensing nozzle for each serum slots neatly into the Seoulista Cryo Cool®, allowing the potent formulations to more easily absorb as the cold therapy stimulates the skin. When used alone, it helps to boost microcirculation for a refreshed appearance, soothe irritation and redness and reduce puffiness.

Quartz Illuminating Nail Concealer

Product description

A subtle, light reflecting gray take on our cult-favorite Illuminating Nail Concealer. This formula is the ideal combination of color and care, designed to give the illusion of naturally flawless nails—and now it's available in a soft, milky-gray. Reflective white brighteners catch the light oh-so-beautifully for a healthy-looking glow; Porcelain Extract and optical brighteners instantly filter out discoloration for a flawless finish. The final effect is elegant yet effortless: wear it daily as your signature shade or between manicures as a perfecting kur treatment.

Claims & Benefits

Key benefits

- Eliminates discoloration and erases imperfections
- Brightens and perfects nails while infusing them with botanical-infused care
- Applies seamlessly and allows for buildable, streak-free coverage; simply layer as desired, making sure each coat is dry before applying the next
- Sheer yet flawless coverage is breathable, which makes it the perfect kur treatment between gels or acrylics to help boost nails while offering a sheer wash of color
- May be used on bare nails, with or without top coat.

Dual-Peptide Firming Anti-Wrinkle
Eye Cream

Product description

With its brand-new star ingredient, H11 Space Algae, Wetcode's Dual-Peptide Anti-Wrinkle Eye Cream doesn't only have above-average repair power; it also effectively moisturizes and hydrates the skin, minimizes fine wrinkles, and makes the skin smooth and firm. The added MAP-X Repair Element, which was initially used for medical healing purposes to recover, for example, burned skin, helps to repair the skin barriers and has an anti-inflammatory and antioxidant effect. Applied with our 3rd generation heating and micro-vibrating massage

head, the ingredients are efficiently absorbed, and the skin is further soothed.

Claims & Benefits

H11 Space Algae can enhance the NMF (Natural Moisturizing Factor) by three times to activate the hydration capability of the skin. It helps to get rid of dryness, moisturize the skin all day long, and enriches the power of water. Its molecules are smaller than the small hyaluronic acid molecules and penetrate, nourish, hydrate, and repair the skin much deeper. The other core ingredient, Dual-Peptide, consists of SYN®-AKE (synthetic snake venom) and a tripeptide and helps to tighten, reduce fine lines, and relax the skin. In combination with dual hyaluronic acids, it boosts hydration and provides high moisture.

Anti- wrinkles Secret Strips

Product description

"Physical External Skin Movement" anti-aging patent principle refers to tightening the skin, smoothing wrinkles, lifting the face through physical force, and maintaining a constant physical stretching force. At the same time, it is injected with nutritional supplements of skin elastic repair. It starts with physical lifting and tightening, then applying the repair solution, which is the fundamental solution to anti-aging. Through this new anti-aging product for external use, Secret Strips can easily resist skin problems caused by years, bring changes in overall youthful state, keep skin young and

tight, and bring a miracle of frozen age.

Claims & Benefits

Secret Strips consists of a 3-D matrix of elastic fibers embedded in condensed microcrystals. Under the influence of skin heat, condensed microcrystals are heated and expanded, which drives the elastic fibers of the "honeycomb" matrix to stretch in six directions. Through this kind of movement, fine lines and wrinkles on the skin are stretched out. On this basis, condensed microcrystals continuously release nutrients such as water, amino acids, vitamin E, Hyaluronic acid and so on. The skin is restored to a state of elasticity and firmness achieving short-term fading and long-term wrinkle removal.
