Anita's Aromatic Solutions

iORA Prebiotic Palm Protect

Product description

iORA Prebiotic Palm Protect is a multifunctional hand cream designed to moisturize, protect, and nourish. Infused with colloidal silver for its antimicrobial properties, tomato and amla extracts for antioxidant benefits, and alpha glucan oligosaccharide for prebiotic support, it promotes healthy skin. Shea butter and mandarin oil provide deep hydration, ensuring hands feel soft and rejuvenated while effectively protecting against germs. Our commitment to quality and innovation has been recognized, as iORA was awarded the D2C Award for the Most Innovative Brand of the Year in 2023. Experience the perfect blend of skincare and protection with iORA.

Claims & Benefits

iORA Prebiotic Palm Protect offers

Hair & Nail Products

Finalist

numerous benefits for hand care: 1. Moisturization: Deeply hydrates hands with shea butter and mandarin oil, preventing dryness and promoting softness. 2. Germ Protection: Colloidal silver provides antimicrobial properties to protect against germs and bacteria. 3. Nourishment: Enriched with tomato and amla extracts, it delivers antioxidants to enhance skin health and resilience. 4. Cuticle Care: Nourishes and revitalizes cuticles, promoting healthier nail growth. 5. Prebiotic Support: Alpha glucan oligosaccharide helps maintain a balanced skin microbiome for overall skin wellness. 6. Daily Use: Lightweight formula suitable for everyday use, ensuring hands stay healthy and protected throughout the day.

BRAZILIAN SECRETS HAIR

Hair.Toxx Kryotherapy

Hair & Nail Products

Finalist

Brazilian Secrets Hair

Hair.Toxx Kryotherapy

Product description

Awaken your senses with a glacial breeze Never tested on animals and completely cruelty free Hair Toxx formulas are enriched with natural raw materials like the exotic Açai Berry from the Amazon rainforest This super berry has high antioxidant power to help even elastic strands Another star from Hair Toxx formulas is the Glacial Water obtained through the thaw one of the most efficient natural water cleansing procedures this ingredient has high purity levels and great concentrations of mineral salts Its soothing properties activated by the cold will provide the coolest sensations and revitalize your hair with the super combination.

Claims & Benefits

The multiservice Kryotherapy kit can restore deeply stressed and damaged fibers, power up hair tonicity, and balance fatty acids & protein concentrations. It features lightweight nutrition with extra smoothness and adds brilliance and a silky touch. Saves bond structure during chemical transformations, allowing the hairdresser to achieve higher cold tones on blond shades as increasing hair's resistance. Also showcases scalp care with gentle exfoliation, stimulating cell turnover while removing pollution particles and build-up. The Amazonian Açai Berry has high antioxidant power while the Glacial Water soothing properties activated by the cold, provide the coolest sensations and revitalize your hair.

Hair Boost & Hair Stamp

Product description

Hair Boost is an intense scalp treatment formulated for either treating the scalp at home or maximizing the benefits of salon treatments. Its microneedling tool, specially designed for the scalp, allows better absorption of active ingredients and stimulation of blood circulation for healthier hair. Hair Boost features a highly advanced formulation designed to treat various problems such as hair loss or a weakened scalp. It contains targeted active ingredients, such as caffeine, peptide complex and flower extract.

Claims & Benefits

Accelerates growth by stimulating hair follicles. Strengthens and thickens hair, reducing brittleness and breakage. Fights hair loss, promoting denser, longer-lasting hair. Regenerates and repairs inactive or damaged hair bulbs. Hydrates and deeply nourishes while protecting against external aggressions.

Space Nail Cosmetic India Pvt Ltd

NR (Nail Republic) - Top Protector

Product description

Top Protector from the Russian brand Nail Republic is available in two options: with UV protection and without it. This product provides an incredibly glossy finish with a unique self-healing property. When scratches appear, the topcoat initiates a restoration process, returning to its original shine and smoothness. With this topcoat, you can enjoy a flawless manicure for a long time! Convenient consistency for easy application. Unmatched gloss for a stunning look. Long-lasting manicure protection.

Claims & Benefits

The Top Protector is available in two versions: with UV protection and without, making it perfect for any nail design — whether it's black, white, neon shades, stained glass gel polishes, and more. Made in Russia. The top coat has a unique self-healing property — it responds to micro-damages, such as scratches, and returns to its original glossy appearance. The glossy finish lasts throughout the entire wear of the manicure. The convenient consistency and ease of application ensure a flawless result with unmatched shine.

KHEONI VENTURES PVT LTD

Kheoni Kokum Crayon Pure Body Butter

Skin Care, Personal Care, Body Care Products, Fragrances | Finalist

Kheoni Ventures Pvt Ltd

Kheoni Kokum Crayon Pure Body Butter

Product description

Kheoni's Kokum Crayon Pure Body Butter is made through traditional methods by tribal communities; this bar delivers deep hydration without any greasy residue, making it perfect for all skin types. This unique, carbon-negative body butter is fragrance-free and packaged sustainably in a tin box, eliminating the need for plastic. Simply glide the lightweight crayon directly onto your skin for instant moisturization. With purity so high it's edible, Kokum Crayon offers the purest, most eco-conscious skincare experience; in western ghats it has been used to

heal sores on feet; it is a true gift of nature.

Claims & Benefits

Our NO-PALM Oil Kokum Body Butter deeply hydrates the skin, infusing it with moisture while banishing dryness and promoting elasticity. It is carbon-negative because it does NOT come at the cost of deforestation, plus it is made from thrown away seeds of kokum; lastly it provides work to tribal communities reducing their dependency on the forest for livelihood. Perfect for dry or irritated skin, this body butter also boasts anti-inflammatory properties, soothing redness and calming discomfort..So pure, that we also have a food license to it.
